## PRESS RELEASE

### FCG Oasys – Manage your outsourcing activities

FCG, the Nordic Risk and Compliance market leader, today announces the release of *FCG Oasys*, a system for active management of outsourcing arrangements in accordance with EBA Guidelines on outsourcing arrangements entering into force the 30<sup>th</sup> of September 2019.

Oasys is specifically designed and developed for efficient management of outsourcing arrangements. All the information specified in EBA's final report is readily available together with client specific information supporting the entire outsourcing process and the lifecycle of each arrangement.

Financial institutions can effortlessly start using Oasys for all their new, reviewed or amended outsourcing arrangements making sure that they comply with EBA's new guidelines.

*“Outsourcing is a mission critical business activity in today’s highly competitive market. With Oasys we empower our clients to actively manage all their outsourcing activities and service providers having all the information at their fingertips”* says **Per Andersson, CEO of FCG Reg&Tech Solutions.**
